

IA/WI/NGP SIA  
Watertown, South Dakota  
August 18-20, 2022

Come visit the Terry Redlin Art Center, famous for his farm and wildlife paintings. We'll have a tour of Terex Utilities' new factory (2020). They are a global leader in aerial devices, digger derricks & auger drills. You must wear closed toed shoes and have your legs covered. We'll visit Persona Signs, it's one of the top 5 sign providers in the country making signs for Dairy Queen, McDonalds and many others. The Bramble Park Zoo and Environmental Center is very interesting, it's not too big and is handicap accessible with benches and picnic tables. After supper Friday there's mini golf and go carts for fun at Thunder Road!  
No snacks are needed.

Thurs. Aug. 18th

5:00 pm Meet at Days Inn 2900-9th Ave. SE to carpool for supper, cards & games at the hotel after
